Dear Parents,

Welcome to the 2018-2019 leadership process! Please read all the information provided concerning the selection of ASB members. There are important dates, guidelines, requirements, and costs in this packet. Please be sure to go over each of them with your child.

Student council requires a lot of time and effort both in and out of school. Many of the events and activities that ASB members are involved in are held on nights, weekends, and before and after school.

We realize the importance of parental support for the members of the TBMS student council. At times, parents will be called upon to provide transportation to and from various events, participate in fundraising activities, and help chaperone dances and/or other events. Your support is vital to making our class and all of its functions successful.

ASB members are required to attend scheduled meetings and bonding activities working at the August student registration, and dances. Please do your best to schedule all vacations, and appointments around these dates.

We look forward to working with you in ensuring the best possible experience for your student, as we all work together to make Twelve Bridges Middle School and its leadership program one of the best in the state.

I understand the commitments of membership and have read all pages of this packet including the requirements and costs. I am willing to support the TBMS Associated Student Body and all of its requirements
